The games will be 500 points up and the winner will receive a gold and silver trophy worth \$1,000 emblematic of the world's championship at 18.2 billiards. There will, in addition, be cash prizes to the value of \$2,500, which will be divided, 50 per cent to the winner and 35 per cent and 15 per cent to the second and third respectively. George F. Slosson is the first to challenge Willie Hoppe for the championship at 18.2 This is the title which Hoppe wrested from Maurice Vigneaux last week in Paris. This must not be confounded with the 18.2 balk-line game at which the international tournament will be played. Hoppe, it is said, will probably accept the challenge of Slosson, and the plan now is to have the match played in some public hall in this city in March. The match will be 500 points up, and will be played in one night. The conditions will be the same as those which governed the Hoppe-Vigneaux match. Hoppe sailed for this country yesterday.

Church as was voted at the last quarterly conference. This announcement will come as a surprise to many who have been interested in the welfare of the church in Ogden. It will be remembered that at the time that the changing of the name of the edifice was considered there was quite a split in the congregation and many harsh things were said about Dr. Hill, who was pastor of the church when it was built. Mr. Hill offered to contribute \$1,000 to the church debt, providing the name was changed to the Hill viding the name was changed to the Hill Memorial church, in honor of his dead wife. When the matter was placed before A meeting of the members of the city bowling league has been called for this evening by President J. W. Hanes, at which time the matter of a reorganization of the league will be discussed. The necessity of such action is readily accepted by those who are interested in the game and anxious to see the league make a rousing finish. At the present time the four lower teams are practically out of the race, and a plan is suggested to cut the league down to six teams, combining the four lowest teams into two. By doing this it would make two strong teams to take the place of the four weaker teams and give them a chance to fight it out with the leading aggregations. This action will probably be taken.

In last night's games the Business Men took three straight from the Railroads. A. W. Smith with an average of 577 was the high man of the evening.

### AFTER OTHER COUNCILMEN.

J. D. Skeen Announces Purpose of Filing New Charges.

Attorney J. D. Skeen, who swore out a complaint against Fred W. Chambers, president of the Ogden city council, on Wednesday, for having voted money to himself while a member of the council, has but begun his work in connection with the misappropriation of the city's funds, according to a statement made to The Herald yesterday. Mr. Skeen said that within a very short time he would also file charges against the remaining four hold-over councilmen, which would be similar to the charges made against Mr. Chambers. Those affected are William Craig, Robert P. Paine, A. H. Moyes

be similar to the charges made against Mr. Chambers. Those affected are William Craig, Robert P. Paine, A. H. Moyes and R. W. Emmett.

In speaking of his action in the matter Mr. Skeen stated that when he first read the council's action in appropriating \$100 to each member for work on the board of equalization and review, he suggested that the money be returned, as the action was illegal. This suggestion, however, was resented and he then investigated the matter thoroughly. He then issued another statement in which he called upon the councilmen to resign their offices as members of that body or be prosecuted. This was also resented and he was then forced to bring the action. He stated yesterday that the only thing that could result would be the loss of the office to the councilmen, and that the actions would be of no avail providing those against whom they were directed would resign from the position. Unless they vacate their positions as councilmen, the actions will be brought as soon as he can prepare them.
